

A never-ending food festa

Hi, we're Vegitalian! Your friendly neighborhood restaurant, serving delicious **Italian food** with a vegetarian twist. From your morning coffee to late night dinner and everything in between.

Happy people, healthy planet

We believe that a great food experience can be a green one too. By serving you **vegetarian and plant-based options**, we make this planet a happier and healthier place. A place where **mindful** people make **sustainable** choices.

Craftmanship

Our products and dishes are homemade and prepared with love, passion and craftsmanship. Our own pastry chef at our Utrecht location makes delicious **pastries** and desserts. Tradition is combined with innovation and creativity to make our dishes tasty but also plant-based.

Conscious without concessions

And than our **pizza's**.... Oh how we love pizza.... And let us tell you, the secret of a good pizza is all in the dough. Our Neapolitan pizzaiolo picked out the best flour from Italy to bring our pizza dough to the next level. It's freshly made every day at all Vegitalian locations. We then let it **rise and proof** for 24-48 hours before serving you the tastiest pizzas or **Neapolitan sandwiches**.

Collaborations

We also know when someone is better at something than us. That's why we trust our **local** bakeries for our outstanding sourdough breads. **De Veldkeuken** is behind the bread used in our Utrecht locations, and **Fort9** in Amsterdam. They make bread traditionally, 100% organic, with grains from local growers. With partners like this, how can we not give them a shoutout!

Healthy

Isn't happy people and a healthy planet something we all want? Our way of contributing a little to this is to show how tasty and fun a green(er) lifestyle can be. It's well-known that a vegetarian/vegan lifestyle has many health benefits, so allow us to showcase how vegetables can shine as the main characters in a dish. We source them as close to home as possible – we might go the extra mile, but we rather that our veggies don't ;)

Try our **shareables** or **bowls** and get a seasonal taste of what we mean!
